Company Act.	

4. Diversification and independence of the Board of Directors:

According to Article 20 of the Company's "Corporate Governance Best-Practice Principles", the composition of the Board of Directors shall be determined by taking diversity into consideration and preparing a suitable diversification policy reflective of its own operation, the operational pattern, and developmental demand. Members of the Board of Directors shall possess the required skills for them to fulfill their duties and in order to accomplish corporate governance, the Board of Directors as a whole shall possess the following capabilities (1) operational judgment, (2) accounting and financial analysis, (3) business management, (4) crisis management, (5) industrial knowledge, (6) international market perspective, (7) leader, and (8) decision-making.

Currently, the Company's Board of Directors consists of 7 directors, including 3 independent directors and among them is one female director, accounting for 14.3% of all directors. Ages of the directors are 71 to 80 years old (28.6%), 61 to 70 years old (28.6%), 41 to 50 years old (28.6%), and 31 to 40 years old (14.3%); the mean age of all directors is about 57 years old.
